Hello Dan,

I am planning to introduce this on Tuesday but I have a question for you:)

So, this is basically replacing the equipment that they had donated previously?

If the list of equipment is for the new system we should say that. right now we say:

"The existing surveillance system was donated to the City by the HPOA and CHC over a period from 2004 to 2009. The system includes nine cameras at the following locations throughout Hollywood:"

Let me know please:)

Have a nice weekend:)
